

Offer Letter

Date: 5th January 2026

Dear Baghel Munendrasinh Radheshyam,

Congratulations! We are pleased to extend to you an offer for the position of **MERN Stack Intern** at BrainyBeam Info Tech Pvt. Ltd. This opportunity will allow you to gain practical experience in **frontend and backend development, full-stack web application architecture, and MERN-based solutions** while contributing to real-world projects under the guidance of experienced professionals.

As a **MERN Stack Intern** affiliated with **Ganpat University**, you will begin your internship with BrainyBeam Info Tech Pvt. Ltd. on **5th January 2026**. Your internship will begin with an initial **4-month free internship**, during which you will undergo structured training designed to strengthen your fundamentals and hands-on skills in **MongoDB, Express.js, React.js, Node.js, API development, database management, and deployment workflows**.

Roles & Responsibilities:

- Developing responsive and dynamic user interfaces using **React.js**.
- Building and maintaining backend services and RESTful APIs using Node.js and Express.js.
- Designing, managing, and optimizing databases using MongoDB.
- Collaborating with cross-functional teams to understand project requirements and deliver scalable full-stack solutions.
- Integrating frontend and backend components to ensure smooth application performance.
- Debugging, testing, and improving existing applications to enhance speed, security, and stability.
- Staying updated with the latest trends, libraries, and tools in the MERN Stack ecosystem.

We also encourage you to explore advanced technologies and enhance your skill set with resources available for your professional growth. We believe you will add significant value to our projects, and we look forward to your contributions.

Please review this offer carefully, and feel free to reach out with any questions.

Warm regards,

Sagar Jasani
