LANGUAGES

- English
- Hindi
- Gujarati

PERSONAL INFORMATION

- Date of Birth: 15/03/2004
- Gender: Male

PROJECTS

- **Online Examination System:** developed a web-based exam platform enabling admin-driven MCQ and written exams, manual grading, user authentication, profile management, and downloadable PDF pass certificates.
- **Painter App:** A modern web-based drawing application designed for creativity, simplicity, and performance. It allows users to draw, sketch, and paint directly on a digital canvas using intuitive tools - no complex software required
- **Fuel Consumption Analysis for Automobiles:** This application provides a user-friendly platform for analyzing vehicle fuel consumption data. By combining data visualization, predictive analytics, and AI-powered assistance, users can monitor fuel efficiency.
